c

Washers-dryers

- Pilot diversity is the key to ensuring that what we propose is aligned with the current state of the industry.
- Sector diversity is the key to ensuring that the DPP system proposal is both cross-sectoral and future-proof.
- Goal: Prove that the DPP can be **more** than just a regulatory burden for companies but it can effectively promote economic and environmental sustainability.

Priority Products proposed by ESPR Work Programme

Products to be included in the work programme

Textiles/Apparel

2027*

Furniture

2028*

Tyres

2027*

Mattresses

2029*

Intermediate products included

Iron & Steel

2026*

Aluminium

2027*

Energy-related
products

2027*

ICT products

2029*

Products included under the transition rules

* indicative timeline for adoption

European
Commission
